The NEC does not coordinate dates for club events, but does publish a monthly calendar for your convenience. Prior to selecting a date for your club's next event, please check the NEC calendar for availability, and then notify the Editor of the new date immediately at cpolICASTRO1@verizon.net, or by phone @ 609-371-1195.

President's Message

Happy New Year Everyone,,,

The Planning for the 2011 convention is in full swing; please refer to the convention web site for the latest updates: www.northeastcouncil.org/convention . I would like to ask each club to please help in advertising this year's convention by mentioning it in your newsletter and placing a link on your club's web site.

The NEC has secured an agreement with the Crowne Plaza to provide conference room meeting space for member clubs, under the same payment arrangements. Please contact Leslie Dick, the NEC Hotel Coordinator if you are interested: ldick@comcast.net.

The next **NEC General Meeting** is scheduled for Saturday March 5, 2011 at 12:00 noon. This meeting will be a conference call, details will be sent prior to the meeting. **Please note this meeting was originally scheduled as a "face-to-face" at the Crowne Plaza.**

The next NEC Board Meeting is currently TBD, due to a scheduling conflict with a sister club's event. This meeting will be a conference call, details will be sent prior to the meeting. **Please note this meeting was originally scheduled for May 22, 2011 as a conference call.**

Please remember to send your club contact updates and calendar events to Christine Policastro at cpolicastro1@verizon.net ; we still have several emails bouncing... Linda Giza is always looking for speakers to add to the NEC list, please send the information to lindagiza@comcast.net .

Please feel free to contact me with questions or suggestions; it's best to contact me by email at president@northeastcouncil.org or you can call me at 1-845-896-4793.

NEC Convention March 25-27, 2011

36th Annual NEC Convention

www.northeastcouncil.org/convention

NEC Convention Update

The 36th Convention is coming quickly! March 25-27, 2011 at the Crowne Plaza Hotel in Cromwell, CT. Check the convention website, www.northeastcouncil.org/convention for all the details including the speaker list and description, schedule and the Sunday auction information

The menus for the 3 meals available are posted on the site as well. Registration will open January 20th and there will be many options (many possible combinations) available in the registration shopping cart.

Congratulations to Chuck Davis (NJAS) for his beautiful winning logo! Chuck has entered and won many convention logo contests in the past and we are very pleased he won again this year. Many thanks to the many artists who entered. The entries were all very creative and I would have been pleased to have any of them represent this year's convention!

Online Registration

We are offering a Special Registration Package (which is inclusive of a Friday night dinner, Saturday breakfast and banquet Saturday night, registration, a shirt and a raffle ticket for a Special Package Only raffle) along with the usual a-la-carte registration options. Like last year, all those that register for the convention will also get a full buffet breakfast Saturday morning. After the pre-registration deadline of **March 4th**, prices will increase, so register early! An email will go out announcing the opening of registration and anyone who did not supply us with an email address will receive a post card in the mail about the convention and registration. Thanks to Ad Konings for the beautiful fish picture we used on the front of the postcard (and on our convention poster)! A printable/mailable registration flier will also be available on the website for those who do not wish to register online. Leslie Dick is handling registration this year and she'll be glad to answer your questions.

ldick@comcast.net.

Vendor Room

Nancy Villars is Chair of the Vendor Room, and she has some great ideas to bring in new and different vendors. If you have suggestions for her, please email her at sscichlids@aol.com. Check the website for updates and a listing of confirmed Vendors as it becomes available.

Sunday Auction

Again we have expanded the Sunday Auction to give more options to the Sellers! The 40 lot maximum per seller now includes up to 5 lots of clean, working equipment or dry goods, and lots can be entered into the auction even on Sunday morning this year! You are not *required* to pre-register, but we strongly urge you to use the online pre-registration system and receive a 60/40 split. We request that all auction lots be brought to the auction room and submitted to the Fishroom before 9:00am Sunday March 27, 2011. Lots that are submitted to the Fishroom after 9am will not be included in the viewing unless time permits distribution into the 10 table system before viewing opens at 9:30am. If you don't pre-register your lots and need to register your fish and get lot labels printed on Sunday (you will receive a 50/50 split), you are encouraged to plan to arrive early so you can submit your lots to the Fishroom before 9am! See the Sunday Auction Rules (will be posted on the website shortly) for further information and details.

[Jim White and the NEC Conservation Fund](#)

Jim's parents have donated all of Jim's hobby related equipment (tanks, stands, lights, gravel, filters, etc) to the NEC and we will be selling it all in a "flea market" Sunday March 27th from 10-12 noon at the convention. All items will be priced to sell and all money collected is being donated to the James J. White Memorial Conservation Fund which is raising money this year for two conservation efforts: The Stuart M. Grant Cichlid Conservation Fund (see more details at www.cichlidpress.com) and a second fund yet to be determined. The sale will only be for 2 hours Sunday morning from 10am - noon, so make your plans to attend the Sunday Auction viewing when it opens at 9:30am so when you're done you can then shop the flea market and benefit conservation!

[Photo Competition](#)

We invite all NEC members and convention attendees to submit your best aquatic photographs to the NEC Photographic competition held at the convention in March. All entries will be displayed at this year's Annual Convention, with cash prizes awarded for the judge's favorites. Please see our website for classes, rules and an entry form!

[Convention Poster](#)

A poster advertising the convention is available to download from the convention website (a copy will also be sent with the newsletter). Please put it in your newsletter and print it and post it at local pet shops, grocery stores, anywhere to advertise the NEC's 36th Annual Convention. Thank you for promoting this educational event!

Any club wishing to have a free ad in the convention program booklet needs to email the ad to Gary Wong at gtwdesigns@yahoo.com no later than February 20th please! The ad will end up being 4"L x 3.5" H so keep that in mind when you are designing it! All NEC Clubs should submit an ad, and we ask all clubs to announce the convention at their next meeting and make sure all their members know about this great event happening in their backyard.

Thank you to each of the following clubs who sent a Delegate to 3 out of the 4 NEC General Meetings this past year. Each club has received a Free Registration to the Convention (\$67 value) which they can raffle off, use as a prize or use as they see fit. **ACLC, DAAS, JSAS, NELA, PVAS, TFCB, TFSRI.**

We are looking for **Sponsors** for the Convention. If you are interested in becoming a sponsor, details are listed on the convention website under the "Become a Sponsor" menu option or you can contact Nancy Villars by email sccichlids@aol.com or call her at 732-207-6540. Companies, individuals and clubs are all encouraged to help support our efforts to promote showing fish and educate hobbyists about fishkeeping! *Please support our Sponsors!* Visit the Sponsors page of the website to see who is contributing to this convention and do what you can to support them.

You will be able to find the meal menus, learn details about our speakers & links to their websites, view the tentative schedule, see who is sponsoring our event, register online for the convention, print a convention Registration Form, see who our Vendors will be, register Sunday Auction Lots online, download Auction Rules and learn all about this year's convention on the website so, **please check the website today and check back often!** Any ideas you have and any questions you have may be directed to me at dbanks@together.net (802) 372-8716 or to Leslie Dick at ldick@comcast.net. Hope to see you all in March!! Janine

In an e-mail from Aline Broussesu . . . she is happy to report that her husband Jacques, is doing fine after his surgery to remove cancer from his right lung. They are hopeful that he will have a speedy recovery, and no lingering problems.

Anyone wishing to mail personal get well wishes may do so at:

Special Announcement

Cromwell Crowne Plaza – location for club meetings

As for NEC BOD and General meetings, the Cromwell Crowne Plaza is now available for NEC sister clubs' monthly meetings. The hotel has kindly extended the same agreement for sister club meetings as arranged for the NEC meetings. There is a nominal fee associated with a room reservation. Please contact Leslie Dick, the new NEC Hotel Liaison, at LDick@comcast.net with your club name, date and start/end time of the meeting, and how many members you expect to have in attendance.

NEC Slide and Videos Program

All video and slide presentations are available to any NEC club to use as their monthly meeting program. Any other use should be discussed with the NEC slide and video chairman prior to the request. Please make requests as far in advance as possible to allow for scheduling and regular mail delivery. The NEC club requesting the program is responsible for actual shipping charges in both directions. Failure to return the program will result in a \$50 replacement charge. Please return programs within 14 days after the scheduled meeting.

Requests should be made to:

David Banks
315 US RT 2
Grand Isle, VT 05458
dbanks@together.net or 802-372-8716

To view the list of available programs online visit:

NEC Speaker Program

One of the purposes of the Northeast Council is to assist member clubs in remaining a viable and successful aquarium society. I know from previous experience that one of the hardest jobs in any club is that of the Program Chairperson - who has the responsibility of providing a succession of experienced and entertaining speakers, on a variety of topics, with little or no budget.

Linda Giza is responsible for the NEC speaker list, so please contact her with any corrections or additions you have at lindagiza@comcast.net or call her at (413) 301-2803.

If you would like to advertise your monthly meetings or special events, please forward the information to me by the tenth of each month. **Be sure to include all pertinent information (like location, time, contact person or website for additional information) in your announcement.**

GuppyCon 2011. The World-wide Guppy Conference will take place in Boston, MA October 13th - 16th, 2011. The four day conference is a joint effort between the IGEES (International Guppy Education & Exhibition Society), the World Guppy Association, the Boston Guppy Club, and the Boston Aquarium Society. Special events include a New England whale watch, behind the scenes tours of the New England Aquarium, an IMAX movie presentation in the New England Aquarium theater, and a tour of the city of Boston by Boston Duck Tours. There will be several workshops and speakers, including a presentation by the famous Canadian guppy breeder Philip Shaddock author of the "Theory and Practice of Guppy Breeding" and "The Library of Guppy Color Strains, Their History and Genetics". There will also be a vendor room in the hotel and a dedicated block of rooms for "in-room sales". The event will also include the World Guppy Association's "15th World Guppy Championship" and an "IGEES Guppy Innovation Contest" featuring guppies from breeders around the world. The judging panel includes famous breeders Andrew Lim of Malaysia and Oemer Gulmez of Germany. The final day of the conference will feature the Boston Aquarium Society Annual Auction which will be open to the public. Further details will be released shortly when the GuppyCon.com event website is launched. Vendor and Sponsorship inquiries should be directed to Bill Gill (bostonbreeder@bostonguppyclub.com).
